

MX42-640

Stick Blender with 640 mm Shaft - single Speed

Features:

- Easy to handle and clean
- Detachable mixing shaft made of stainless steel AISI 304
- Durable motor
- Ideal for making soups, vegetable purees, sauces, batters, mayonnaise, tomato puree, pesto, etc .

User Instructions:

Carefully insert the wand unit into the coupling of the motor block and tighten the lock nut.

The hand blender may only be operated and stopped when the stick (wand) is in a mixing bowl.

Hold the hand blender against the bottom of the mixing bowl, do not lift it up. If the ingredients are particularly thick, hold the device firmly with both hands.

Model	Power kW	Voltage (V)	Max. Motor Speed RPM	Weight KG
